Manas Gopal Shettigar

has successfully completed the online, non-credit Specialization

Graphic Design

In this Specialization, learners were equipped with a set of transferable formal and conceptual tools for "making and communicating" in the field of graphic design. Learners were exposed to the fundamental skills required to make sophisticated graphic design: process, historical context, and communication through image making and typography. Learners completed a capstone project that applies the skills of each course in a finished branding project suitable for a professional portfolio.
